There are thousands of books to peruse in the Feraferian Library - many with notes made by Fred over the years.

...Also letters: Fred kept up an active correspondence with many of the thinkers of the day, including Anais Nin, Timothy Leary, Arthur Janinger, Max Freedom Long, and Robert Graves.

Copious notes and manuscripts describing various Things Feraferian...

As we assemble material for the upcoming "Book of Feraferia", I'll also be posting snippets and ideas regularly in this Blog.

Looking forward to sharing, and seeing what others have to say!
